## Summary

---

With over 1 year of experience in front-end engineering and WordPress development, I specialize in creating responsive, high-performance websites with a strong focus on **HTML**, **CSS**, **JavaScript**, and **React.js**. Skilled in using popular WordPress page builders like **Elementor**, **Gutenberg**, and **Divi**, I also have experience developing WooCommerce sites for seamless ecommerce solutions. Passionate about delivering user-friendly, scalable, and visually appealing web applications, I stay up-to-date with the latest front-end technologies to create modern, efficient solutions while ensuring optimal user experience across all devices.

## Experience

---

### Front-End Developer

- DigitalAimz - Onsite

Dec 2023 - Present

- Developed responsive and interactive user interfaces using HTML, CSS, JavaScript, and React.js, ensuring seamless user experiences across devices and screen sizes.
- Implemented dynamic, reusable components with React.js, optimizing performance and enhancing maintainability of complex front-end applications.
- Collaborated with design teams to convert UI/UX designs into pixel-perfect, responsive layouts, ensuring consistency and high-quality visuals using CSS frameworks like Tailwind CSS and custom CSS.
- Implemented dynamic, reusable components with React.js, optimizing performance and enhancing maintainability of complex front-end applications.
- Applied custom CSS to enhance design aesthetics in wordpress websites, improve functionality, and tailor websites to meet specific client requirements.
- Integrated WooCommerce and other eCommerce solutions, optimizing product pages, checkout processes, and payment gateways for a smooth and user-friendly shopping experience.
- Migrated WordPress websites from various hosting environments, ensuring data integrity, minimal downtime, and improved website performance.

**Tech Stacks:** Html, CSS, Bootstrap, JavaScript, React.js, Responsive Designs, WordPress Development, Landing page Development, Elementor, WooCommerce, Ecommerce Website Development
